

Trustees Approve "Calculated Risk" Plan

New Program Affects All Phases Of College

Saint Joseph's Board of Trustees has approved a "calculated risk" plan for the College's future submitted by Dr. Louis C. Gatto, Vice President for Academic Affairs. The action came during the November 11 meeting.

Included in the plan's provisions are a substantial increase in financial aid to students, raising of admission standards, renovation of the physical plant, a leveling-off of enrollment, new majors, a moratorium on dormitory construction and a revamping of index requirements for all students.

"The implementation of the 'calculated risk' program guarantees only that considerable funds will be expended in an effort to make Saint Joseph's College achieve its potential as a quality, coeducational senior college within a four-year period," explains Gatto. At the faculty meeting he stated that those private colleges which do nothing to change and improve themselves will ultimately be forced to close. The "calculated risk" plan is, in Dr. Gatto's words, "a gamble" which does not guarantee the College will survive in face of the increasing number of problems affecting private colleges, but it is a much more favorable program than the status quo approach which would certainly result in the College's demise.

Some of the key features of the "calculated risk" program are:

1. A concession that for the immediate future the undergraduate enrollment will not be increased beyond its present mark of 1,450 students. The principle is not to increase enrollment without first improving the quality of the student body.

2. Fund raising will be directed toward the increase of academic scholarship funds and the construction of a new learning center (library), plus renovation of existing instructional facilities or building of new facilities.

3. The conversion of male dormitories to coed housing, one in the summer of 1970 and another in the summer of 1971.

4. Renovation of the physical plant within the next year to provide clean, comfortable surroundings for students.

5. Providing new major fields of study in the areas of medical technology, classical languages, physics, French and German.

6. An institutional commitment to the establishment of a summer graduate program.

7. Beginning with 1970-71, index requirements for the various class levels will be revised upward, calling upon students to achieve at an increasingly improved academic level.

8. Increasing the minimum entrance requirements to Saint Joseph's to help eliminate the high drop-out rate and improve the academic image of the College.

The "calculated risk" program would probably mean a deficit in the College's budget for the next few years because, as poor students are turned away, the enrollment figure may drop and the College would therefore lose tuition funds. However, as the College improves its image among high school counselors and applicants, more students with greater abilities should begin enrolling. The deficit could eventually be recovered.

Chicago Alumni Invited To Concert At Orchestra Hall

Saint Joseph's Men's Glee Club, the Women's Chorus and the College's Brass Ensemble will perform Sunday, December 7, with the Alverno College Women's Chorus at Chicago's Orchestra Hall.

For alumni in the Chicago area it will be an opportunity to hear the College's renowned Glee Club in concert. All alumni and friends of the College are invited to make advance reservations. The performance will begin at 3 p.m.

The Glee Club, the Women's Chorus and the Brass Ensemble have been invited to perform in five European countries this June. The Glee Club made a similar tour during the summer of 1968. Under the direction of Dr. John Egan, chairman of Saint Joseph's music department, the Glee Club has gained an eminent reputation among men's choruses.

Alverno's Women's Chorus, directed by Sister Laura Lampe, OSF, has also been acclaimed as an outstanding performing group. They will join Saint Joseph's Chorus, Glee Club and Brass Ensemble for the concert. The Brass Ensemble is directed by Gary Smith, music professor at Saint Joseph's.

All the music for the program will be of the 20th century. Included will be a new piece, "Holy Innocents," composed by Dr. Egan.

For reservations, write to Dr.

John Egan, Box 932, Saint Joseph's College, Rensselaer, Indiana 47978. Specify whether you desire main floor seats (\$3.00 and \$2.00), balcony (\$3.00 and \$2.00) or gallery (\$1.00). Box seats are \$5.00 each with six seats to a box. Checks should be made payable to Saint Joseph's Music Department. Reservations must be in no later than December 3 to allow time for mailing the tickets.

Jaycees Honor 1955 Graduate

Terence F. MacCarthy '55 of River Forest, Ill., was honored by the Chicago Junior Association of Commerce and Industry as one of the Chicago Metropolitan Communities' ten outstanding young men of the year. The award, based upon exceptional achievement and important contributions, was presented Sept. 8 at a civic luncheon in the Grand Ballroom of the Palmer House Hotel.

MacCarthy, an attorney, was cited for his work as executive director of the Federal Defender Program in Chicago which is responsible for the appointment and administration of attorneys to represent the legally indigent in the federal courts, for his work in creating and guiding a legal internship project which offers law school students experience in criminal and civil trials, and for his work in administering a Neighborhood Youth Corps program for high school drop-outs. Under MacCarthy's leadership the Federal Defender Program has become a model for the nation, utilizing the services of highly-experienced criminal trial attorneys to represent more than 800 defendants annually.

While at Saint Joseph's MacCarthy played three years of varsity basketball and majored in philosophy. After serving with the Marine Corps, he obtained his law degree from DePaul University, graduating near the top of his class.

"Last Year We Could Have Used 'Em..."

Last year, when the Mets lost 100 games, alumnus Gil Hodges '45 might have considered signing SJC varsity co-captains Mike Scudder and Ron Unavitch. Also in the picture are Puma baseball coach George Post '65 (left) and Hodges' former coach, Dick Scharf '38, now athletic director at Saint Joseph's. The photo was taken at Wrigley Field just before the Mets with Hodges as manager went on to win the World Series, defeating Baltimore in five games.

Downard Earns Ph.D. From Miami U.

Dr. Phillip R. Shriver of Miami University presents Downard with his doctorate degree.

William L. Downard, President of Saint Joseph's 1963 graduating class, was among the first four recipients to earn a doctorate from Miami University in Oxford, O. He is the first person to receive a Ph.D. in history from Miami. The degree was conferred during special ceremonies at Miami's 43rd summer commencement August 24.

Downard, who is now teaching at Saint Joseph's, wrote his dissertation on The Cincinnati Brewing Industry 1811-1960: A Social and Economic History. While com-

pleting doctoral requirements, he taught at the College of Mount St. Joseph near Cincinnati. He has his Master of Arts degree from the University of Cincinnati.

While searching for a dissertation topic, a faculty member at Miami suggested to Downard that he write on the history of the bourbon industry in Kentucky. Downard considered the idea, but later decided to write on the brewing industry in the Queen City. He is hoping to have the dissertation published.

Fine Arts Series Open To Alumni

Two events have been scheduled for Saint Joseph's Fine Arts and Lecture Series during the second semester.

On Monday, Feb. 2, the Indianapolis Symphony Orchestra will visit Saint Joseph's for an 8 p.m. performance in Alumni Fieldhouse. The Indianapolis Symphony, directed by Izler Solomon, is one of the outstanding orchestras in America. It will be the Symphony's third concert at the College.

Father Raymond J. de Jaegher will speak in the College's auditorium at 8 p.m. Tuesday, April 7. He is one of the few people in the Western World who can speak with authority on the mysterious land behind the Bamboo Curtain. Fr. de Jaegher's knowledge of the Maoist world is derived from 30 years of work, study, travel and imprisonment in Asian countries.

The College welcomes all alumni to attend the concert and lecture without charge.

1969—
If you were driving through Chicago on an afternoon last summer there's a possibility you saw several Saint Joseph's grads assuming their roles in society. BOB LEGATZKE was wheeling cement for a construction firm, while JOHN SULLIVAN helped out on a beer truck. DAN VAUGHAN was cutting lawns, TOM NOVAK laying bricks, JOE ROGERS unloading cinder blocks and TOM BARTKUS was erecting cyclone fences. LARRY SOLTIS was driving a Goldblatt truck, and JOE SMITH sold pots and pans. BILL DORGAN worked midnights on the docks. And over in New York VINCE CAMA was driving a cab. If you didn't know they were waiting for September when they could begin their teaching assignments, resume their studies at grad school, or that they were waiting to be called by the Selective Service, you might have wondered about the value of four years of college. RICHARD KANE and MIKE WILKINSON have accepted offers with the Federal Deposit Insurance Corporation in Chicago. RON STANSKI has been named head basketball coach at Central Catholic High School in Fort Wayne. FRANK R. SHIRER is teaching social studies at St. Augustine's in Rensselaer. JIM ERNST has been hired as a case worker for the Fulton County (Ind.) Welfare Department. JESSE TAGGART is with Fidelity Union Life in Lafayette, and SKIP BRABAND is working with his father at the Vincent L. Braband Insurance Agency in Chicago.

Honor Roll Of Alumni Contributors

From April 1, 1968 To July 31, 1969

In the summer of 1968, the Alumni Board undertook a project to increase alumni donations to Saint Joseph's College by 50% over last year's total of \$32,000. A goal of \$47,000 was set with a deadline of March 31, 1969.

That the goal was exceeded by the deadline is due to the assiduity of several alumni, particularly those who worked on phone-a-thons, produced fund mailers, and those who organized intra-office campaigns and alumni chapter events. The figures in this report reflect the total alumni donations from April 1, 1968 to March 31, 1969 (the fiscal year of the alumni fund) plus an additional four-month period to July 31, 1969 (the end of the College's fiscal year). This adjustment was made in order that the Alumni Fund's fiscal year may hereafter run concurrently with the College's fiscal year, thus simplifying reporting and accounting. (The number of donations after the campaign deadline was insignificant, increasing the March 31 totals only slightly.)

ALUMNI FUND TOTALS		
FISCAL YEAR ENDING JULY 31, 1969		
	Number of Contributors	Amounts
Non-Fellow Alumni	697	\$17,083.84
Alumni Fellows	146	27,720.15
*Class Gifts	208	2,916.00
Total Alumni Gifts	1051	\$47,719.99
Matching Grants	56	\$ 4,787.09
Memorial Gifts	7	180.00
Special Gifts	5	452.14
Total Non-Alumni Gifts	68	\$ 5,419.23
Alumni Fund Total	1,119	\$53,139.22

* The class gift program has the participation of 243 alumni, all graduates since 1965, who annually deposit \$12.00 to an endowment fund managed by Continental Assurance Company of Chicago. In the figures above, only 208 are listed as contributors because 35 of the class gift participants also gave to the Alumni Fund by means of a regular contribution.

The College had at the time of this campaign approximately 2,800 graduates and another 4,000 former students who did not take degrees from Saint Joseph's, making for a total solicitation list of 6,800. About 15.5% of all former students gave to the College during the campaign, and approximately 25% of the graduates made a donation, very near the national average for small private men's colleges (despite Saint Joseph's young alumni body).

Saint Joseph's College and the Alumni Association wish to gratefully acknowledge those listed below who contributed to the 1968-69 Alumni Fund. (* Denotes Fellow)

REPORT ON CLASS GIFTS -- 1965-1968

Saint Joseph's graduating class of 1965 inaugurated a twenty-five year life insurance endowment program with Continental Life Assurance Company of Chicago whereby the class could raise a substantial amount of money to be used in making a gift to Saint Joseph's. The gift will be presented by the members of the class in 1990 on their silver anniversary as graduates.

Since 1965, Saint Joseph's other graduating classes have established their own programs with Continental. The College wishes to gratefully acknowledge those alumni now participating in these programs. Included with the honor roll is a progress report on the endowment fund for each class.

Saints "Marching In" With Winning Season

Pumas' 5-3 Record Best In Eleven Years

With one game remaining on the schedule as we go to press, head football coach Bill Jennings has assured the College of its first winning season since the 1958 team won 5 and lost 4. The Pumas are currently 5-3, and only an upset by Franklin College can keep them from bettering the 1958 record.

The Pumas opened the season with a big victory, defeating Olivet College (Mich.) 46-0. In that game, the Saint Joe defense gave up only 20 yards. A week later, after a 16-10 come-from-behind win over Wabash, the Puma defense led the NCAA College Division for fewest yards yielded per game.

After two straight wins, Saint Joe students were hoping for a miracle season and a conference crown. But then came two heart-breakers against ICC foes Valparaiso and DePauw. Valparaiso, on its home field, led at halftime 2-0, and in the third quarter they took a 5-0 lead on a field goal. The Valpo defense and superb kicking kept the Pumas bottled up in their own territory. The Crusaders scored again to lead 13-0, and it wasn't until late in the fourth quarter that the Pumas finally generated a scoring march climaxed by a touchdown pass from Sheldon Cooper (junior, Salinas, Calif.) to Dave Marendt (junior, Indianapolis). In the last minute of play, trailing 13-6, the Pumas were unsuccessful on a fourth-down play and had to give up the ball on their own two-yard line. Valparaiso scored on the last play of the game to win, 19-6.

The DePauw game in Greencastle was an offensive struggle which saw the Pumas give up a fourth-quarter lead and lose, 30-26. For Saint Joseph's, quarterback Terry Campbell (sophomore, Milwaukee) completed 18 passes for 315 yards, and the Puma runners ground out 156 yards to lead the hosts in total yardage, 471-375.

A week later, the Saints met Butler before the largest Homecoming crowd in Saint Joseph's history. For the 5,900 fans, the game turned out to be one of the most exciting ever played in Alumni Stadium as the Pumas came from behind with only 63 seconds showing on the clock to win, 20-17. Halfback Steve Dmytrow (junior, St. Catharines, Ontario) scored the winning touchdown from the three-yard line after quarterback Sheldon Cooper had scrambled 31 yards and passed to Terry Rudnick (senior, Chicago) for 12 more. Cooper was chosen by former Puma stars Dick Ostrowski '64, Dennis Anderson '64 and Tom Huhn '59 as the winner of the Rudy Volz Most Valuable Player Award.

Illinois Wesleyan travelled to Saint Joseph's for the NCAA Centennial Game which was part of the nation-wide commemoration of college football's first 100 years. The Pumas scored first and led for the rest of the game. In the final quarter with the score 17-0, the visitors scored two quick touchdowns and were pressing hard for a third. Then, during the last minute of play, the Saints' defensive halfback Bill Pospisil (sophomore, Manasquan, N.J.) intercepted a Wesleyan pass to end the scoring threat.

Saint Joseph's boosted their record to 5-2 the following week with a 20-17 triumph over Georgetown College of Kentucky. On the visitors' field the Saints came from behind in the fourth quarter when Sheldon Cooper capped a 68-yard march with a one-yard plunge to put the Pumas out in front, 20-17. Linebacker Dennis Strobel (junior, Gloucester, N.J.) preserved the victory when he intercepted a Georgetown pass on the Puma three-yard line with 12 seconds remaining in the game.

The following week the Pumas were quickly surprised by Evansville who rolled up a first-quarter score of 28-0. Saint Joseph's fought back with 24 points, but the Aces were determined to win a piece of the conference crown, sharing it with Valparaiso. The final score was 49-24.

Though they finished 1-3 in the conference, the Pumas are undefeated in non-conference play. And even if they should lose the Franklin game, it will still be Saint Joseph's most successful season in 11 years.

Sophomore Jane Ellspermann's joy and the scoreboard tell the story of SJC's Homecoming victory over Butler. The Pumas won on a last-minute touchdown, exciting 800 alumni almost as much as Jane.

Hall Of Fame Honors 20 Alumni

Twenty former football stars at Saint Joseph's have been selected by their teammates as charter members in the new SJC Football Hall of Fame. The members were inducted into the Hall of Fame Oct. 25 during ceremonies on the campus.

The Football Hall of Fame was started this year in commemoration of college football's centennial year. A nominating committee of 100 former players selected the 20 charter members by ballot. Each year an alumni committee will make additional nominations of not more than three names.

The former greats inducted into the Hall of Fame are: George Connelly '61, president of G.F. Connelly in Chicago; Terry Davisson '65, head football coach at Cardinal Ritter High School in Indianapolis; Don Dippel '50 from Huntingburg, Ind.; Bob Duax '41, athletic director at St. Am-

brose College in Davenport, Iowa; George Ellspermann '47, director of procurement for the Whirlpool Corp. in St. Joseph, Mich.; John Frawley '51 of Forest Park, Ill.; Vince Goeddeke '61, a programmer for Boeing in Seattle, Wash.; Joseph Gugliotta '64 of Chicago; Charles "Bud" Greif '50, a dentist from Evansville, Ind.; Les Klein '60, head football coach at Lowell, Ind.; Stan (Jack) Lapsys '43, a teacher at Tracy Joint Union High School in Tracy, Calif.; Al Miesch '50, a geologist for the U.S. Geological Survey in Denver, Colo.; Ray Regner '61, a teacher for the Paramount Unified School District in Walnut, Calif.; Nick Scollard '43 of Indianapolis; George Sherwood '58 of Cerritos, Calif., a salesman for Josten's Inc.; Richard Scharf '38, athletic director at Saint Joseph's College; Pete Varini '53, deceased; Ralph Tite '57 of Chicago; Jerry Wenzel

'53, head line coach at Chesterton (Ind.) High School; and Phil Zera '64, a sales representative for Advance Process Supply Co. in Chicago.

Eleven of the Hall-of-Famers were able to travel to campus for the induction ceremonies. At a luncheon prior to the SJC-Illinois Wesleyan game, they were each presented with a Football Hall of Fame certificate and a medal commemorating the centennial year of college football. The new members were introduced at the game. The pictures of all the Hall-of-Famers and their career records will be displayed at a permanent location.

Milwaukee Outing

Milwaukee area alumni and their families attended a picnic at the home of Dave Cunningham '63 Sept. 14. It was a going-away party for Alumni Board member Jim Crook '63 who is moving to Scottsdale, Arizona.

The joys of leaving SJC can only be matched by the joys of returning, and the 1969 Homecoming drew a record crowd of alumni on Oct. 18. Members of the class of '63 are shown here with Saint Joseph's new vice-president for student affairs, Fr. Emil Labbe, also a '63 grad. The Alumni Association thanks the Senior Class, Blue Key Chapter, Courier Club, music and athletic departments, Columbian Players and all the others who contributed to the 1969 Homecoming.
